Value Asset # 22

### Kids are actively engaged in learning.

- Ask your kids every day what they did in school, what they liked about school, what they didn't like about it. Take it seriously when they are frustrated.
- **Learn a new skill together as a family. Make learning a family affair.**
- Help your children stay alert in school by ensuring that they eat well and get enough sleep.
- Limit TV. Read and eat together.
